- 1 - All plans are available to Commuter Students. Eligibility for Residential Students is predetermined by the University and is based on a number of factors including: selected housing (the facilities contained therein), a minimum standard of living, and expected familiarity with campus life.
- 2 - Flex Recharges are available in \$50 increments, up to \$400, to students with an existing meal plan (see Schedule for Additions / Changes above).
- 3 - Flex purchases are taxed at the time they are used.
